To the South Carolina State Association of Free Will Baptist:

GREETINGS IN THE LORD:

You should be happy to know that where ever Free Will Baptist meet, that they are bringing wonderful reports of the work done, and also good plans are presented to extend the cause and work rapidly.

Reports from the local boards and organizations, to the States and on to the National Offices report good work. The Lord is moving among us; let us take heed and keep up with His steps. The Lord is yet in the creative, corrective and saving work. We can afford to do no less than to give our hearts, hands, minds and money towards His great work.

I would to attend your meeting but other duties prevent my attending. You have my prayers, and the prayers of Free Will Baptist as a whole. What you are doing and will do for any phase or the whole cause is appreciated.
