TAKING OUR POSSESSIONS NUMBERS 13:30

"And Caleb stilled the people, before Moses, and said, let us go up at once, and possess it; for we are well able to overcome it."

From the beginning of time until this good hour, in every great undertaking there has been opposition. We only have to look on the pages of holy writ to find that this is true. This was the case in the building of the ark, the rebuilding of the walls of Jerusalem, the preaching of the gospel by the early church, and this case under our observation is no exception to the rule.

However it is encouraging to note that those faithful servants of God never tired under the strain, but kept incessantly plodding on conquering, and to conquer. We would do well as we look upon the fields that are already white unto harvest, and resolutely face the task that is ours to do, to remember those faithful ones that have gone before us, they succeeded, and we will too. Let's hear faithful Caleb say it as God would have us to say it. "Let us go up at once, and possess it for we are well able to overcome it."

First, we note that the task is ours "let us" many time we have to face and accept responsibility single handed. Such was the case with Joshua and Caleb, ten said it couldn't be done, two said it could be done, what do you say? Can we succeed in the field of education? If your answer is yes and I sincerely hope it is, I will make this observation. We must work together, and why do I say so? The Bible says in Mark 3:25, "And if a house be divided against itself, that house cannot stand." As you know we have two colleges at present, namely The Bible College at Nashville, Tennessee, and Mount Olive Junior College, Mount Olive, North Carolina; also The Piedmont Institute, Cramerton, North Carolina. All of these institutions are worthy of our support, and prayers, so lets be congenial, kind, considerate, and cooperative thus accomplishing in the field of education that we will be justly proud of. Thence our boys and girls can be prepared in our own institutions for their life's work, whether it be the ministry, missions, law, medicine, banking, merchandising, farming, engineering, bookkeeping, nursing, etc. We have every reason to believe that the Lord would be pleased for

our laymen to be educated as well as our Ministers and Missionaries, and truly our Ministers and Missionaries must be prepared if they are to do the job most effectively.

Second, "Go up" the path of the Christian is an upward one. Someone has said the world owes a lot of its progress to those that were not satisfied to let well enough alone. How true. And the Lord's orders to us are march on to victory. Joshua and Caleb could have said with the other ten, why not remain here? We can't take that land. But they were not satisfied to let what some would call well enough do. We have observed in our own respective denomination those that would in the face of severe opposition say we must keep going fellows, we have a job to do. Thank God for faithful soldiers like that.

Third, "At once" There is no time to loose, brethren. It's imperative that the job be done now. We all have observed in our day the exciting sinfulness of sin, and its constant march.

Many conditions are existing now, and not being thought of as any harm whatsoever, that would have made us blush indeed in our boyhood days. This being true we are sometimes inclined to ask ourselves what have we been doing? Have we been as diligent as we should? If not may we ask His forgiveness with the promise to do better from this day on. You will note that Jesus said in Luke 16:8b that, "the children of this world are in their generation wiser than the children of light." And we are all aware of the fact that the people of the business, and entertainment world don't let any grass grow under their feet, neither should we.

Fourth, "And possess it." Its the will of the Lord that we take possession of our own. There is no use of timidity. However we are to use tact, but make no mistake about it, take our own. It belongs to us for God has designated it so. Has not Jesus told us to make disciples of all nations?

Fifth, "We are well able to overcome it." Hear Jesus say it, "All power in Heaven, and earth is given unto me." Then hear the great apostle Paul say, "I can do all things through Christ who strengtheneth me." Hence we have "nothing to fear, but fear itself and we read in the word that "Perfect love casteth out all fear." Therefore how many churches should we pledge ourselves to organize and build during the ensuing year? One a month, or two possibly more. How much should we do for our schools, missions, superannuation, childrens homes, etc.

May the Lord help us to get our forces together, and march up the mountain with so much determination and vigor, until every giant will take to his heels, and trot down on the other side, thus giving way for our complete possession. Then we will raise the banner of King Immanuel, and shout the praises of our Lord and Saviour.

W. L. Jernigan, Moderator

Your Promotional Secretary wishes to make the following report:

Total Expenses	\$166.61

During the past 12 months the Lord has done great things for us, whereof we are glad. We have had the privilege of attending the Central Conference, the 2nd District Quarterly Meetings of the S. C. Conference the 1st District and the Beaver Creek Ministers Conference. In each meeting we were privileged to present the cause of Christ and to encourage support of all phases of the work.

Three thousand two hundred and sixteen copies of The Post have been mailed to the pastors and church leaders of our state. Also, copies have been mailed to our Missionaries and to Headquarters building in Nashville, Tenn. However, if The Post is to continue to be mimeographed and mailed to you and your church leaders it will be necessary for the State Association to purchase a mimeograph machine. The State Association voted last year to buy this machine, but sufficient funds have not been given. We trust that The Post is meeting a need in the spiritual life of you leaders, and that you will go back to your church and receive a special offering toward the purchase of this much needed equipment.

As your Promotional Secretary we wish to thank each of you pastors and clerks for co-operating in maintaining a usable mailing list. It has been a pleasure to serve you these past two years.

We wish to renew two of the recommendations adopted last year:

1. The State Association send a letter of appreciation to the First Free Will Baptist Church in Florence, for the use of their mimeograph machine in mimeographing The Post for the past year.
2. A mimeograph machine and a standard typewriter be purchased for the purpose of doing the work of the promotional office.

Respectfully submitted: Reedy Saverance, Timmons ville

REPORT OF CHRISTIAN EDUCATION DIRECTOR

To the South Carolina State Association of Free Will Baptists, November 13, 1958:

During the past twelve months (November 1, 1957 through October 31, 1958) gifts from our state to the Free Will Baptist Bible College have amounted to \$2,874.93. Of this amount, \$2,159.19 was given to the general fund and \$715.74 to the building fund. While not any church nor individual has given extremely large gifts this year, we are very grateful to those who have given consistently during the year.

The board has granted two loans this year in the amount of \$250 and \$200 respectively. These loans were drawn from the Poston-Baggett Loan Fund.

We urge our people to support our Bible College during the 1959 church year; and we are especially anxious for all churches to send as offering to

be included in the College's Victory Celebration December 17-18, 1958.

Respectfully submitted,
Billy Morris

APPENDIX V

"STATE SUPERANNUATION REPORT" 1957-58

We sincerely urge all of the conferences, associations, quarterly meeting, churches, and individuals in South Carolina to support State Superannuation since we are now in position, and have already started to help some of our aged preachers, and there are others that will be applying for Superannuation aid in the near future. Therefore, we need the support of everyone that these old preachers may not have to suffer in their last days on earth.

REPORT OF PUBLIC MORALS COMMITTEE

We, your committee on the Public Morals make the following report.

The Christian Ministry, which has for its purpose Men's spiritual improvement and salvation of soul. Therefore, we should be governed by virtuous conduct at all times.

To do justly, tender justice with mercy and walk honorably with thy God.

"But watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of the ministry." II Tim. 4:5.

"Pure religion and undefiled before God and the Father is this, to visit the fatherless and widows in their affliction, and keep himself unspotted from the world." James 1:27.

REPORT OF STATE LEAGUE CONVENTION

From every quarter of our denomination there comes the universal cry for leaders. There are many who possess great potentialities and want to advance; the fields are white unto harvest but the "leaders" are few. "Where will the help come from, you ask?" The answer is Free Will Baptist League. The "laborers" are few because the "leaders" are few; and the "leaders" are few because the "leagues" and "leaguers" are few.

The purpose in FWBL is to train leaders for all phases of our church work from the local church to the National Association. There are several means employed by our State League Convention with hopes of attaining the objective.

First, there are the weekly meetings of the league in the local churches. A program is given each Sunday night by the boys and girls of the church. This program is not only Scriptural and informative and a spiritual blessing but is also great experience in actual speaking in public. Buried in many young lives are talents which need to be discovered and developed. The answer is FWBL.

Another means employed in the district league convention. The leaguers of the district get together for fellowship, competition, and to learn new ideas. This phase of the work has greatly suffered in some districts due to many churches not having leagues and other leagues being poorly attended. Do you have a league? If not you will still be crying for leaders in your church for another generation. You need leaders and your youth need the chance to learn now.

Another important means of attaining our goal is the State League Convention which meets yearly. We have 30 leagues in the state and approximately 1800 leaguers. At our state convention this year there were 18 leagues represented by approximately 200 people. The Efficiency Banner went to High Hill and Beulah churches for one-half year each. The theme was "Call for Crusaders" and a stirring message was given by Rev. Bobby Jackson urging leaguers to retreat from the world and to advance for Jesus.

One of our most important and most fruitful means of attaining our goal is the youth camp sponsored each summer by the State League Convention. This year a total of 223 attended during the two weeks session. Needed and informative classes were taught in Bible, Missions, and etiquette. Approximately \$50 was taken in two offerings for Foreign Missions. Wholesome recreation was enjoyed by everyone and services were conducted each

night. Evangelistic services were conducted the second week by Rev. Jack Paramore. During the second week 15 stepped out to follow Jesus in salvation and 50 dedicated their lives to "the will of God." We urge all churches to send your youth to camp. We believe that our camp is exercising a powerful influence over the youth of our state for the glory and service of our Lord Jesus Christ.

We urge all churches to maintain a strong league and to support enthusiastically all phases of the State and National League work. If you are interested in organizing a league contact Rev. Carroll Alexander, Johnsonville, S. C.

SUNDAY SCHOOL BOARD REPORT

We, your Sunday School board submit the following report:

1. Realizing that our state Sunday School work is no stronger than the local Sunday School, we urge all churches to exercise extreme care in the election of all Sunday School leaders as to faithfulness to duty, burden to teach, and spiritual qualifications.

2. Realizing the need for more hours of fundamental Bible teaching for our children, we recommend that all pastors and Sunday School leaders lead their churches in at least one week of well-planned and well-prepared daily vacation Bible school each summer.

3. Realizing the fact that many children and young people are slipping through our fingers into the adulthood of a hardened heart and a Christless eternity, we earnestly urge all pastors and Sunday School leaders, especially teachers, to launch a prayerful and Spirit-led program of Sunday School evangelism.

4. We recommend that all pastors observe needs and conduct necessary study courses to better qualify Sunday School teachers for their work.

5. We recommend that the State Sunday School Field Director and the State Sunday School Board plan and execute a State Sunday School Convention for the improvement and strengthening of our Sunday Schools in more faithfully teaching the Word of God.

Respectfully submitted:

Carroll A. Alexander
